

## Customer Referral Program

It's simple. How would you like to add a \$20.00 credit to your account? Lampton-Love, Inc. and its Group of Affiliated Companies is offering our loyal customers a bonus for referring their friends, family members and/or neighbors.

You will immediately receive a \$20.00 credit to your account each time that you refer a new customer to us that utilizes at least two (2) of the following gas burning appliances:

- Space Heater / Central Heating Unit
- Water Heater
- Propane Gas Logs
- Propane Gas Range / Oven
- Propane Gas Electric Generator

The credit will be issued to your account after: the referral has officially been acquired as a new customer, there has been a final new customer inspection, and gas has been delivered.

You can apply this \$20.00 credit toward your monthly fuel or service bill or toward the purchase of an appliance. There is no limit on the number of referrals you can make.

Fill in the following information and return this page to your nearest Lampton-Love Companies office. If we successfully gain this new customer we will then process a \$20.00 credit to your account.
